

Dear Parent/Guardian,

We are writing to notify you of our new online **LINQ Rapid Health Screener** Parent Portal. **The LINQ Rapid Health Screener** is where you will log your student's daily health attestation information. We are requesting that you take a moment to visit the Parent Portal at <https://harnett.esvportal.com/Login.aspx> to create an account. There are instructions below to assist you with this process. Your student's Powerschool ID number will be required when attaching them to your account.

The online attestation form(s) are available immediately once a student has been attached to your account. Please complete this form daily prior to your student(s) reporting to school. This online form replaces the need for a daily paper form.

If you have questions, please call (910) 893-8151 ext. 265 or email studentservices@harnett.k12.nc.us.

Thank you,

Jeane Pope

Johnsonville Elementary School
