

HIGHLAND ELEMENTARY

February 2021 Newsletter

Dear HES Families,

February is an exciting time at Highland Elementary! This February HES celebrates African American History Month. Students are learning about achievements by African Americans and their role in history.

February 1-5 is National School Counseling Week. At HES we have 3 amazing counselors: Audrey Noble, Kimberly Edwards, and Samantha Bell. February 16-19 is Bus Driver Appreciation Week. At HES we LOVE our bus drivers. Please take time to say thank you to these valued staff members.

HES has the very best students! We are so proud of how resilient our children have been during this difficult year. Attendance has been a challenge this year for many reasons beyond our control. To motivate increased student participation remotely and face to face, we are having an attendance challenge in the month of February. All students with 100% attendance in February will be entered in a drawing for a scooter.

Thank you for your continued partnership. Together we are fulfilling our mission: HES Mission (Why we exist?): At Highland Elementary School we believe in all children. We exist to inspire and prepare students to make a positive impact on their families, communities, and world.

Yours in education,

Jennifer Spivey, Ed.D.
Principal
