A Season of Gratitude

Dear Highland Families,

During this time of Thanksgiving, I want to share my gratitude and thank you for your resilience during these unprecedented times. On behalf of the HES staff, I would like to thank you for your continued support. I also want to extend a heartfelt thanks to those who made the ultimate sacrifice for our country while protecting the freedoms of our great nation. This month we celebrate our military families and veterans.

Every day, I celebrate the amazing support of our parents, teachers, staff, and community. November is an exciting time at Highland Elementary. Please join us in making this month special for our most precious gift--our children.

Jennifer Spivey, Ed.D.

Principal
