Highland Elementary School's Official Parent Newsletter

VIRTUAL THANK YOU

by Principal Jennifer Spivey

Thank you for your patience and resilience during these unprecedented times. On behalf of the Highland Elementary School faculty and staff, we appreciate your kindness.

Teachers are working hard to communicate expectations, schedules, and technological needs. Please remember to reach out to your child's teachers first with any questions you may have regarding remote instruction. This is new for teachers, students, and parents.

We are in this together! One day at a time things will get better. Thank you for supporting HES teachers and students by keeping a positive attitude. We are PIRATE STRONG!
