PTO Membership Matters

Membership is only \$5 per family!

Your involvement in PTO matters to BCES. We are a K-5 school that loves each of our students, staff and teachers. Our group works hard to support students in the classroom, provide equipment and resources for the school, as well as to encourage and uplift the teachers. We are dedicated to making a difference by our presence and our support. On the back is a list of projects that our PTO was able to complete in just one year! PTO is a wonderful way to support your child's future by supporting their education and their school while remaining up-to-date on current needs and volunteer opportunities.

We Need You!

Student of the Month Students that show exceptional character traits are nominated by teachers and staff each month. PTO Officers select 2 of these students to be recognized as our Students of the Month. This year, this effort is being sponsored by Dr. David Price, Lillington's Hometown Dentist.

Rent-A-Rock \$5 per day

Did you know you can "rent" the rock in front of our school? For \$5 per school day, you can reserve the rock and paint it with a sweet message for a student, teacher or the entire school: Thank you's, birthday wishes, special celebrations, etc. Payment must be made prior to painting. Dates are reserved on a first come, first served basis.
