Yearbook Advertising 2021-2022

Business owners in our community have several effective ways to advertise. I would like to introduce you to one you may not have considered—The Dunn Middle School Yearbook.

By advertising in the yearbook, you can reach students, parents and other family members, faculty and staff at the school, as well as patrons at other businesses who buy the yearbook, including real estate offices, churches and medical and dental offices with your business' name, location, and your message.

Your advertising dollars also help Dunn Middle School build a better yearbook program for the students in this area.

We kindly thank you for your support. We believe in our community. It is reassuring that our community believes in us.
