

Visiting Teams

Visiting Teams and ATs:

Welcome to Overhills Athletic Training! You will find the Athletic Training Facility (ATF) between the main and auxiliary gymnasium (a secondary athletic training room is located in the field house next to the football field).

We are happy to provide quality medical care to both our students and our visiting teams.

We will have an AED either on site (in the ATF) or at every competition at Overhills, as well as first aid supplies as needed. Please feel free to contact us with any special requests. We will do our best to accommodate your needs!

We are happy to provide the following for all court sports:

1. Water Coolers
2. Cups/Bottles
3. Injury Ice

We will also provide the following for all outdoor sports:

1. Water Coolers
2. Injury Ice

Thank you,

Marisa Warren LAT, ATC, PES
