PARENT PERMISSION

As the parent/legal guardian, I give consent for the above named student-athlete to receive a medical screening prior to participation in athletics. If the student-athlete is injured while participating in athletics and the school is unable to contact the parent/legal guardian, I grant permission for treatment deemed necessary for a condition arising during participation in these activities. Treatment may include, but is not limited to, first aid, CPR, use of AED, or medical/surgical intervention as recommended by a physician. As parent/guardian, I accept the financial responsibility for any such medical care and treatment.

Either a Licensed Athletic Trainer or a trained first responder is available for high school student athletes. Licensed Athletic Trainers within their scope of practice and protocol, provide treatment, care, prevention and rehabilitation of injuries incurred by student athletes during school sponsored athletic activities. Injury treatment may include the application of modalities including but not limited to heat, cold, sound, light, electricity, and mechanical devices related to rehabilitation and therapeutic exercises to safely enhance recovery time and return to activity. First responders may use the application of heat and ice and render first aid within their scope of practice. I give my permission for the release and exchange of health related information with my child's physician and the athletic team members necessary to appropriately care for my child.

I hereby state that the above information is correct and I will hereby notify the school if any changes occur.
